## **Financial Disclosure Statement and Consent**

WPS Government Health Services (WPS/GHA) must provide, record, and publish recordings of Open Meetings held for the purpose of discussing draft Local Coverage Determinations (LCDs). Interested parties (generally those that would be affected by the LCD, including providers, physicians, vendors, manufacturers, beneficiaries, and caregivers) can make presentations of information related to draft policies.

This Statement and Consent must be completed and read out loud for the record by any individual that speaks at an Open Meeting, including scheduled public speakers, invited guests, and members of the public.
